

Rescheduling Procedure

1. Contact your opponent (information is available on web site under Spring/Summer League Info ([2010 Summer Managers](#))).
2. Review the on-line schedule for your age group, (the pdf files show the entire league schedule at a glance), find a time slot marked with “RO” on a field that is age appropriate for your team. Any time slot that has an “x” is not available!
3. Once both managers agree on a time slot contact the league office neilrutkowski@3and2baseball.com to move it on the official league master schedule. **Please include team numbers when requesting a change.**

The schedule recycles several times a day so the update will appear on the individual schedules soon after the change is made.

The information on the breakdown of the fields is listed on the next page!

Field Dimensions					
Field #	LF	C	RF	Age level	Grade Level
1	325	396	325	15-18	High School
2	280	320	280	15-18	High School
